## SUPPLEMENTAL DECLARATION AND POWER OF ATTORNEY

Each one of us, John S. Yates, Jr., Matthew F. Storch, Ph.D., Sandeep Nijhawan, Dale R. Jurich, and Korbin S. Van Dyke hereby declare that:

My residence, mailing address, and citizenship are as stated below next to my name;

I believe the inventor(s) named below to be the original and first inventor(s) of the subject matter which is claimed and for which a patent is sought on the invention entitled OPERATING SYSTEM FOR COMPUTER WITH TWO ARCHITECTURES, which is described and claimed in the specification filed on July 26, 2000 and accorded Serial No. 09/626,325.

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment specifically referred to above.

I acknowledge my duty to disclose information that is material to patentability as defined in 37 C.F.R. § 1.56(a), 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application.

This application discloses and claims subject matter disclosed in our earlier filed applications, International Application Serial No. PCT/US00/02239, filed January 28, 2000, U.S. Provisional Application Serial No. 60/176,610, filed January 18, 2000, U.S. application Serial No. 09/385,394, filed August 30, 1999, U.S. application Serial No. 09/322,443, filed May 28, 1999, and U.S. application Serial No. 09/239,194, filed January 28, 1999. Insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States or PCT International application in the manner provided by the first paragraph of 35 U.S.C. § 112, I acknowledge the duty to disclose information that is material to patentability as defined in 37 C.F.R. § 1.56 that became available between the filing date of the prior application and the national or PCT International filing date of application.

Any error in inventorship occurred without deceptive intent on my part.

**POWER OF ATTORNEY:** I hereby appoint the following attorneys and/or agents to prosecute this application and any other application for letters patent, utility model, invention registration or any other form of legal protection relating to any invention or discovery disclosed or claimed therein, any continuation, division, renewal, extension, substitute, reexamination, reissue or continuation-in-part thereof, any application claiming priority therefrom under any right of priority or any treaty or convention, for any country or regional or international patent convention, to transact all business relating thereto, to make or receive payment, and to appoint agents and attorneys to perform any of the foregoing, before the United States Patent and Trademark Office and any other legal authority or convention authority in any country throughout the world:
